New Faces:

Rainbow School would like to welcome new children who have joined our Ohana. They are Natania Brown, Akanesi Olevao, Samson & I'lah Latuselu, Kamilikai Gouveia, and Inoke Piena.

Grants For Rainbow

Rainbow School has received two grants: one from the Kahuku community Fund to fumigate our school for termites, and one from the Samuel N. and Mary Castle Foundation to help pay for our teacher-aides to go back to school and eventually become teacher qualified.

Water Table Fun:

Uncle Steve and some helpful teachers helped to install two new water tables near the garden area. The children love playing and exploring the water table.

Our Creative Curriculum for Preschool Volume 2, reminds us that, "Playing with water and sand involves sensory experiences that appeal to young children. They need little introduction to these materials. While sand and water play can delight the senses, it also can challenge children's minds and promote all areas of development and learning."

HEALTH:

Your child's health matters. If your child has a runny nose (green), coughing persistently, or any contagious infections (impetigo) please keep them home. Germs spread quickly and we want everyone healthy as possible!

REMINDERS:

- *Check your mail boxes daily
- *Make sure your child has extra clothes in their cubby
- *Check their pull-up supply often
- *Label everything
- *No goodies/snacks in the morning (we serve breakfast)
- *Be prompt and courteous with pick-up times
- *Rainbow School has an open door policy, you are always welcome!
- *Communicate with your child's teacher. If you have questions, concerns or just want to know how the day went, don't hesitate to ask.
