Reminder

The following are special reminders to help keep your child's day running smooth: Please remember to have your child consume all "outside" food prior to entering school. Sending your child with a sandwich, chips, soda/juice, musubi, etc. will bring unwanted pests into the classroom. This situation also causes problems with sharing food with other children. This is strictly prohibited since there are several children with food allergies. Please keep in mind that your child has a well balanced meal for breakfast and lunch that is USDA approved.

Please remember to bring extra change of clothes for your child in the event that he/she has an accident. Also, if your child was sent home with borrowed Rainbow School clothes please wash and return the clothes as soon as possible.

Please make sure your child leaves his/her toys, stuffed animals, purse, makeup, etc. at home. Bringing toys from home only causes distractions and problems between the children.

Please let your child's teacher know if there are any changes on your emergency card (i.e., new phone #'s, new address, new work place, additional people you'd like to add to the list for pick up, etc.). Keeping your child's emergency card updated is very important!

Thank you very much for your consideration and understanding. Together we make our school a success!
