## SUMMER THEME

The theme for the month of July will be “Summer Fun”. The children will be discovering and enjoying all that the summer has to offer. We will be having a field day, every Friday where we will be walking to the Kaala Park and setting up activities for the children. Please apply sunscreen to your children prior to school.

## MARK YOUR CALENDAR

## WATER PLAY DAY

During the hot summer months we plan a “Water Play Day”. The children are engaged in water table activities, as well as getting wet in the sprinkler. If you allow your child to participate in the sprinkler you must bring his/her bathing suit or swim shorts, towel and change of clothes. If your child does not come to school with the three items listed above we will assume that your child is not allowed to participate. Other water activities that don’t involve getting wet will be provided for children who are not allowed to participate in the sprinkler. Please remember that we are not authorized to apply sunscreen onto the children. If you would like your child to wear sunscreen, it must be applied before school. The following are the dates assigned for each class:
