WATER PLAY DAY

During the hot summer months we plan a “Water Play Day”. The children are engaged in water table activities, as well as getting wet in the sprinkler. If you allow your child to participate in the sprinkler you must bring his/her bathing suit or swim shorts, towel and change of clothes. If your child does not come to school with the three items listed above we will assume that your child is not allowed to participate. Other water activities that don’t involve getting wet will be provided for children who are not allowed to participate in the sprinkler. Please remember that we are not authorized to apply sunscreen onto the children. If you would like your child to wear sunscreen, it must be applied before school. The following are the dates assigned for each class:

June

June 14, 21, and 28 - Water play days for the Outstanding Owls Class. (Tuesdays)

June 15, 22, and 29 - Water play days for the Dazzling Ducks Class. (Wednesdays)

June 16, 23, and 30 - Water play days for the Playful Panda Class. (Thursdays)
