Potluck Luncheon

Our annual Thanksgiving Potluck Luncheon is just around the corner. Look out for signup sheets to bring a special Multi-cultural dish. We will also need a head count of family members who will be joining us on November 18th. The Luncheon will begin at 11:00 with a short program of each class singing a special Thanksgiving song. The children will also prepare special centerpieces for the tables that you will be able to take home. Please bring in your special dish before the luncheon only if it doesn't require heating up. All hot dishes must come by 11:15 am. Our staff will not be able to heat up any dishes as they will be busy preparing the children for this event. **Be aware that we are a NUT free school**, so please bring food that will be nut free. Please also cut all items that may be a choking hazard; i.e. grapes and hot dogs.

Parent-Teacher Conferences

Thanks to all of you who have attended our first semester conferences. The parents were delighted to hear how their child is progressing. Some parents were amazed that we were talking about the same child. All of the children seem to be use to the school routine. Please know that you are always welcome to speak to your child's teacher or the director if you have any questions, concerns, and/or suggestions. We need to keep the bridge open between home and school. By doing this, we can make our school a success.

Reminder

We just want to remind families that safety is ALWAYS our number one concern. We are urging everyone to be more mindful of their surroundings and continue to work with us to ensure all of our children are safe. Please call us if someone new is picking up your child and make sure that person is at least 16 years old or older with a government issued I.D. Make sure to close and secure all gates, when entering and leaving. Do not leave valuables in the parked car. Even if dropping off or pickup your child will take only a couple of minutes take the necessary precautions to make sure everyone at Rainbow School is safe.
