### Community Helpers Needed

This month is Community Helpers month. If you have an interesting and fun job that you think the children will enjoy learning about please let your child’s teacher know. We know that some parents work as firefighters, police officers, teachers, pilots, cooks, etc. If you have the time to come in and do a short presentation for the children we would really appreciate it. Thank you for your support in creating a wonderful learning experience!

Thank You 

Rainbow School Wahiawa would like to thank all of the parents and family members who came to our Open House and Family Workshop on September 26, 2008. Coming to events like these make the children feel important. Taking the time to see what he/she has done and participates in our classroom is wonderful for your child's self esteem and validates them as important individuals.

## Reminder

The following are special reminders to help keep your child's day running smooth:

Please remember to have your child wash his/her hands upon arrival. Due to allergies and illnesses going around this season, it is important for children to wash their hands as soon as they walk into the school for the safety of themselves as well as their friends.

We also received applications from Child Care Connection Program. The Department of Human Services' Child Care Connection Hawaii (CCCH) is a federal subsidy program helping families pay for child care services in Hawaii. If you are interested in picking up an application, please see Ms. Sarah in the office.
